Letter to C. N. Kenyon & Co. Barre, Vt.

Dear Sir: Currie Hardware Co., Atlantic City, N. J., had been dealing in paint for more than twenty years and last year found out Devco. This is how they did it.

Bought two cans, took off the labels, sent to a chemist for analysis.

The chemist found it pure; and they took our agency.

That is the way to find out a paint; but not every dealer can do it. There ought to be public provision for making good things known without cost. It's a pity American citizens haven't got it. The people want it, even more than the trade.

Yours truly,

F. W. Devco & Co.
